**OLIVER THOMAS JENKINSON AND  
MISS ALICE GERTRUDE LOM-  
BARD JOINED IN MARRIAGE AT  
HOME OF BRIDE SUNDAY NOON.**

---

At the home of the bride's parents, Mr. and Mrs. Lewis H. Lombard, on Bush street, Sunday at noon, occurred the wedding of Miss Alice Gertrude Lombard, and Oliver Thomas Jenkinson, son of Mr. and Mrs. R. H. Jenkinson. The ceremony was a simple one, performed by Rev. D. R. Holsinger of Laton in the presence of the immediate families of the bridal pair, Mrs. Holsinger also being present, and after the vows were spoken, the company partook of an excellent wedding dinner.

The home was beautifully decorated with violets, carnations and apricot blossoms, and the bride in her becoming gown of dove grey satin and Georgette, looked very charming with her shower bouquet of white carnations and ferns. She is a native of Michigan and came to Kings county with her parents some ten years ago. She was educated in the schools of this county and attended high school in Hanford for two years. For four and a half years she was the able bookkeeper for the J. S. Williams Company, and left them but recently to prepare for her coming marriage. A quiet, retiring girl, she has been one of the workers in the First Methodist church, being identified with the Epworth League and Queen Esther Circle, and has many warm friends to wish her joy in the new life before her.

Mr. Jenkinson is a native of Kings county and has spent all of his life here with the exception of a year at the University which he attended after graduating from Hanford Union High school in 1914. He was the successful member of the local agricultural club that year and made the trip to Washington, D. C., which was offered to the winners in the various competing clubs of the high schools, going in the fall of 1914, by the northern route and coming home the southern way, thereby having a most wonderful trip which was instructive as well as enjoyable. When the call to the colors came for the war with Germany, he was one of the boys who was chosen for the spruce work in Washington, and returned from that service the eighth of this month. He is identified with the young people of the Presbyterian congregation, and is a stalwart, industrious young man.

The young people will take no wedding trip at this time, and for the present will remain at the Jenkinson home, later on planning to occupy a ranch of their own. The best wishes of many friends is expressed for their happiness.
